BOOK SYNOPSIS

One night of fierce passion and unbound pleasure leaves two strangers craving much more in Lavinia Kent's sumptuous novel. The time has come for the widow Louisa, Lady Brookington, to move on, but she refuses to remarry at the cost of shaming her late husband's memory. Their six years together were wedded bliss—even if a war injury prevented him from fulfilling his marital duties. Only one woman can help Louisa: Madame Rouge, the discreet proprietress of a club where London's elite explore their wildest fantasies. Geoffrey, the Marquess of Swanston, has no intention of agreeing to deflower an anonymous virgin. But when Madame Rouge tempts him with the absolute power he'll have over a woman who knows nothing of carnal delights, he's intrigued. Control is the one thing he cannot resist—and control is what he loses during his night with the blindfolded beauty. He longs to take her further, to leave his mark upon her perfect behind, but the mystery woman refuses to see him again. Instead Geoffrey reluctantly agrees to take a wife, the widow of his dear friend, Lord Brookington—fating them both to a wicked surprise. *Mastering the Marquess* is intended for mature audiences.
